THE PERFECT FABRIC AND SCREEN PRINTING COLOUR

100% SOLVENT FREE · WATER-BASED · ENVIRONMENTALLY FRIENDLY · UNSURPASSED SOFTNESS
LOW ODOUR · ENHANCED SCREEN STABILITY · RUB, WASH & DRY CLEAN RESISTANCE · UNPARALLELED ADHESION
INCLUDES GLOW, METALLIC AND PROCESS COLOURS · PLUS SUPERCOVER COLOURS FOR USE ON DARK FABRICS

Permaset Aqua is a revolution in textile screen printing inks. Based on carefully selected pigments and the latest advances in polymer technology, **Permaset Aqua** delivers pure colour, a superior soft handle and excellent durability in an easy to use ink that is environmentally friendly.

Permaset Aqua includes both regular (transparent) and **SuperCover** (opaque) ranges together with 4 Metallic and 4 Process colours (CMYK) and a range of ancillaries. Each range includes 8 Glow fluorescent colours and also a Print Paste.

SuperCover colours are specifically designed to provide excellent opacity on dark fabrics.

With 50 years of manufacturing experience, Permaset is recognised by both the fine artist and professional printing trade as the premier product amongst textile screen printing inks. Our heritage of innovation continues with a dynamic reengineering of our successful line of quality fabric inks. Building on a record of industry leading products, **Permaset Aqua** breaks new ground; a water based ink that offers superior performance,

delivering both printability performance on the screen and post-production performance of the finished garment including user comfort, safety and environmental sustainability.

This 100% solvent free range is environmentally friendly. The pigments provide intense, vibrant colour, rich in coverage and deliver exceptional colour yield. The unique polymer binding the pigment to the fabric delivers exceptionally soft handle and yet shows excellent rub, wash and drycleaning resistance, all without the need for additives.

Permaset Aqua breaks the rules, performing at a higher standard with enhanced screen stability and extended open time to produce cleaner results, longer. Ideal for use on a full range of fabrics including Cotton, Polyester, Silk and most synthetics. **Permaset Aqua** is also low in odour and can easily be cleaned up with water when wet. A first rate innovation, **Permaset Aqua** is the perfect, versatile textile ink solution; it provides a technically sound foundation and contributes to a safer environment while you provide the creativity.
